Experience

Graphic Designer at Impact

Sep 2023 - May 2025

- Designed print and digital assets, including posters, flyers, social media graphics, website elements, and TV screen ads using Adobe Creative Suite and illustration tools to promote campus events and increase student engagement
- Prepared professional-quality files for print and distribution
- Participated in weekly design critiques and workshops to strengthen creative strategy and visual storytelling on client projects
- Worked collaboratively within a team of designers under an art director to ensure successful multi-part project outcomes

Intern at Wild Hope Center for Vocation

Sep 2023 - May 2025

- Managed social media accounts and created content using Adobe and Canva to promote events and initiatives
- Maintained and updated the center's WordPress website to ensure accurate and timely communication for all Center activities and information
- Designed promotional collateral (flyers, brochures, stationery, event programs) to support outreach efforts
- Helped the Center reach projected year-end donation goals by promotion via active participation in club fairs and annual fundraising events
